This Privacy Policy explains how information about you is collected, used and disclosed by Flashbulb ApS (“Flashbulb”) when you use the Max – The Curse of Brotherhood mobile application (the “App”).

Collection of information

To make Max – The Curse of Brotherhood a safe app for children to play around with, we have decided not to collect any data about the owners of the app or how it is used.

In short

The app does not

- Advertise any 3rd party product.
- Push messages to you.
- Collect data about you.
- Do anything we would not be happy to expose our own children to.

This means the app is not violating COPPA in any way.
